DESCRIPTION OF PROBLEM:

On 12/22/19, my little sister (31) came from Alabama to visit me for her birthday. I haven't seen her in a year. Her pants had a button and zipper that wouldn't clear the metal detector for visitation. She drove 5 long hours and took off work to visit me. After several attempts to clear the metal detector, she suggested that she be allowed to change pants, and she was denied. She was told to go home and she cried all the way back to Alabama. The Captain denied her request to change pants.

TENNESSEE DEPARTMENT OF CORRECTION
INMATE GRIEVANCE (continuation sheet)

DESCRIPTION OF PROBLEM: On or about 6/11/20 at about 9:30 p.m. the SORT TEAM Officers moved an inmate out of WD-Unit because his COVID-19 Test Results returned positive. The inmate said on his way out, "They tested me before and I was positive before I came into this Unit last week." On 6/7/20, WD-Unit was put on quarantine lockdown because CCA, Warden Byrd, Alw Vantrell, Alw Davidson, and Chief Bollenburgh were all responsible for moving a COVID-19 positive inmate into WD-Unit (a COVID-19 negative pod) on or about 6/2/20. That inmate was retested on 6/8/20 for COVID-19, after he had been living around 127 other COVID-19 negative inmates for almost a entire week in WD-Unit.

After the SORT TEAM Officers removed the COVID-19 inmate from the pod (on 6/11/20 at 9:30 p.m.) Alw Davidson came to the front of WD-Unit door. At about 9:40-9:45, Alw Davidson was asked at the front door by inmate George Muhammad, "Why did Warden Byrd, you, Alw Vantrell and Chief Bollenburgh move a COVID-19 positive inmate into WD-Unit a negative pod with no COVID-19 inmates when it can kill us?" She arrogantly answered "What makes you so special? We do what we want to do. Why do you think that it can't happen to you?" Alw Davidson clearly expressed that they previously moved three COVID-19 positive inmates into WD-Unit on April 26th 2020 while the Unit had nothing but COVID-19 negative inmates in it because, "You guys are not special. Other inmates have been exposed to it as well. So should you."

I can possibly die from COVID-19. I was not sentenced to death. No COVID-19 positive inmates should be moved into WD-Unit (the only COVID-19 negative Unit at Trousdale Turner). Their actions have exposed me to the virus again.

INMATE GRIEVANCE (continuation sheet)

DESCRIPTION OF PROBLEM: On 3/10/21 The Federal Judge Thomas L. Parker Ordered Me to have a telephonic Scheduling Conference with him. I made several attempts to meet with G/M Crawford to set time aside for that Conference meeting with the Judge. Every time I made an attempt to meet with her, she arrogantly raises her hand in my face and waives it to move me away signaling she's busy.

On 3/15/21 at 8:00pm, I made another attempt to meet with her and she said, "I'm busy doing strong R's". She arrogantly raised her hand in my face again. I couldn't help but notice about 10 minutes later, I saw her going to WC-Pod, WA-Pod and WB-Pod with inmates blankets and sheets in her hands she took from them. She took the time to spend 8:10 - 8:49pm about 30 mins. to address sheets and blankets, but she is "too busy" to handle the important issue of a legal Judicial Conference Call with a Federal Judge set for 3/17/21 at 2:30pm. Obviously, she is unskilled in the Art of Planning a daily Schedule, but has the time to harass inmates about sheets and blankets that she collects during the time-frame she should be answering inmate request forms and addressing substantial matters involving her job as a "Case Manager". The 90 in each pod can address issues about sheets and blankets, not the Case Manager!

I am requesting for a replacement of another Case Manager in place of G/M Crawford for Whiskey Unit who knows how to perform the impartial professional duties of a Case Manager. I have stayed out of trouble to earn my way into Whiskey Unit. I should at least receive the professional help I need from my Case Manager when needed. She may not "like me" but she should respect me as a person who needs her assistance! Chances are, if a case manager is too busy worried about sheets and blankets, and the duties of officers, she can't be occupied with handling her responsibilities as a case manager!
